your most popular dish!

GET YOUR FRSS BOX

Scavone Cantine is committed to being the first wine choice for your customers and not another shelf wine. When you purchase the Scavone wines we help your restaurant introduce, promote, and sell the Scavone line of wines through our tv box promotion at no extra cost to your restaurant.

Once your customer tries the wine, they'll come back for more.

These boxes come with an unlimited world of streaming entertainment and best-in-class music videos, business TV and digital signage service, fully licensed to broadcast in your public business. Entertain your customers with our original music video, drone, lifestyle, trivia or kids channels and much more, along with your restaurant in-house promotions.
